

Pioneers, a network of volunteers

Did you know there is a direct correlation between happiness and volunteering? A recent study¹ showed that people who volunteer monthly are 7% more likely to be “very happy” compared with people who never volunteered. This statistic increases to 12% for people who volunteer every two to four weeks.

The Pioneers have a long legacy of volunteerism, dating back to 1911 with 734 members, including Alexander Graham Bell. Today the Pioneers are over 500,000 strong and are the largest group of industry-specific employees and retirees dedicated to community service.

Pioneers is a network of volunteers who effect immediate, tangible change in local communities.

The more people volunteer, the happier they are.

Get *Involved!*

Our projects are as diverse as the communities we serve. We focus our efforts on five initiatives to make a difference in the unique needs of our hometowns.

Education

Our educational programs emphasize literacy, personal development, technological skills and mentoring.

Life Enrichment

We care for senior citizens and people with disabilities. Life enrichment projects include building wheelchair ramps and educating seniors on modern technology.

Health and Human Service

In times of crisis, the Pioneers are there to help. From stocking food banks during natural disasters to providing gifts for children in need during the holidays, no need is too big or too small.

Environment

Caring for our environment is important to Pioneers. You will see us cleaning up parks and beaches, building trails and ramps and championing recycle projects.

Military

We support our military by providing care packages for those serving overseas and helping the families here at home stay connected.
