

You could save with a variety of programs and policies.

The Added Benefits® Program for Nokia Retirees.

Pet Insurance

Make sure your furry family members are covered too. With two budget-friendly options, there's never been a better time to sign up for My Pet Protection®, available only through this workplace benefits program.

Get cash back on eligible vet bills: Choose 50% or 70% reimbursement³

Preferred pricing offered to Nokia retirees

Use any vet, anywhere: No networks, no pre-approvals

Vision Care

You have access to savings on comprehensive eye exams, LASIK procedures, eyeglasses, and contact lenses with EyeMed Vision Care. This discount program is provided at no cost to you and enrollment is not necessary. To learn more, find providers, and print your membership cards, please visit addedbenefitsaccess.com.

Identity Theft Protection

Norton™ LifeLock® Benefit Plans offers a full suite of tools to help protect your online identity and your family's devices. For full plan details, visit addedbenefitsaccess.com.

Voluntary benefits that work for your lifestyle.

Nokia retirees have access to the wide-ranging Added Benefits® Program. Here, you will find options to insure your car, home¹, pets, and personal property, as well as identity theft protection and vision care. Plus, you could benefit from special savings not available to the general public.

Auto and Home Insurance

Discover competitive rates on policies that help insure your vehicle, home, and personal property. Enjoy a variety of perks, including:

Savings for multiple policies and safe drivers

No-obligation quotes from three national carriers

Easy payment options, including pension deduction², electronic payment, or direct billing

Note: Down payments may be required; use of electronic payment or direct billing may result in service fees.
